**Price:** £40.00 – £180.00

**Stock:** instock

## Brimar TP PX4 (Matched Pair)

The Brimar PX4 has been selected to closely meet the audio specifications of the original. Although the bulb is different and the internal build is quite unusual, the sonic capability is really very good. To keep with modern base availability a UX4 base is used and the electronic “workings” of this valve are quite similar to the original and give the user the opportunity to continue using their classic audio amplifiers. (please note they are only sold in very closely matched pairs)

**SKU:** BTP-PX4-MP

**Price:** £445.00

**Stock:** instock
